RULES

Participants in the Lumber Heritage Region GeoTour can earn a FREE limited-edition trackable Geocoin by being one of the first 300 people to visit at least 20 of the 23 cache locations. At each stop, be sure to record the correct code word found on both the cache lid and the logbook cover, as these will be required for verification. For stops #08 and #23, use the online checker provided on the cache page to confirm your answers. Once you've completed the requirements, coins can be picked up on a first-come, first-served basis at the Warren County CVB office (stop #03), and will not be mailed.
